

PROJECTS

Move Forward Creative, Innovative Initiatives with a Job Focus

GOALS

- Work with elected leaders and staff of City of Oklahoma to explore and potentially develop a funding source for large economic development projects.
- Assist with community campaigns and other special issues that benefit economic development and our business climate.

STRATEGIES

- Support the development of a public economic development fund for Oklahoma City.
 - Evaluate potential revenue streams to create the fund
 - Develop strategy for targeted use of funding
 - Lead implementation effort
- Create a fund for community campaigns and other special issues. Includes MAPS III, school bond issues, infrastructure bond issues, etc.

MEASUREMENTS

- Development of strategic fund.
- Successful execution of campaigns and initiatives that support economic development and community advancement.

OUTCOMES

- Economic development fund in place to support attraction of large, quality projects.
- Significant community initiatives successful and community momentum maintained.
